CIRCULAR

Respected Parents/Guardians,

The safety and discipline of our students remain our highest priority. You are requested to extend your wholehearted cooperation by ensuring that your ward strictly follows the following instructions after school hours:

1. Students must proceed directly home immediately after the school dispersal. They should not remain near the school gate, roadside, shops, or any public place.
2. Students must not form groups or gather on the way home. Any behaviour that causes inconvenience to the public, creates nuisance, or brings disrepute to the school will be viewed seriously.
3. Parents are requested to monitor and ensure that their ward reaches home on time without unnecessary delays, loitering, or engaging in any form of indiscipline.
4. It has also been observed that some senior students bring personal vehicles, especially motorcycles, and park them on the roadside or in front of nearby houses, causing inconvenience to local residents.
5. Parents are requested not to allow their ward to bring any personal vehicle (motorcycles, scooters, cars, etc.) to school. Most students are minors, and driving without a valid licence is illegal. As per the school rules, students are strictly prohibited from bringing or using personal vehicles to commute to school.
6. Any student found violating these instructions will be liable for strict disciplinary action as per the school rules.

We request all parents to cooperate in maintaining the safety, discipline, and good reputation of our school. Your support and guidance are essential in helping our students become responsible and law-abiding citizens.
