## SCIENCE EXHIBITION

Students of class XI A & XI B visited the Campus School, Pant Nagar on 14.12.2023 for the Science Exhibition organized by ISRO Bhopal.

They were accompanied by one of the student volunteers of Campus School from the entrance gate. They then made their way to the main hall where students were given a brief introduction of ISRO'S history and other aeronautical terms and tools.

They were then guided to the exhibition hall where the demonstration of the rocket launch was displayed. Students visited each one of them and gained insights and information about various programs of ISRO.

This trip was very informative and a great milestone in the journey of their progressive learning.

The Science of today is the technology of tomorrow.

## CHRISTMAS CELEBRATION AT SENIOR BLOCK

Christmas is celebrated to remember the birth of Jesus Christ, the Son of God. The name 'Christmas' comes from the Mass of Christ (or Jesus). A Mass service is where Christians remember that Jesus died for us and then came back to life. As a part of Christmas celebration, a craft making competition was organised in our school on 20 December. Different types of crafts like the Christmas tree, Santa Claus, wreath, star making were given to different classes. Students participated in all the activities with great joy. On 22nd December, different Christmas programs like Christmas skit, dances, speeches etc. were organised. Christmas celebration was done with great pomp and show. Rev. Father Alexander Monteiro addressed the students and told them the significance of Christmas. At the end of the program chocolates were distributed among the students.
