ORIGAMI ACTIVITY

The paper folding craft was not only a fun filled experience but it also proves to be a valuable means to develop artistic skill in the young ones. On 19th October 2023 origami activity was organized at St. Paul preparatory school. students enjoyed by making different things like shapes faces of animals and many more to show case their finesse in paper craft.

ORIGAMI ACTIVITY

Origami is an art of paper folding. This form of art helps children to think creatively, improvise their concentration, fine motor skills, and make beautiful models of animals, birds, flowers etc. with colorful papers following simple step by step instructions. Children of KG1 learnt to make colorful 'Tulip flower' with paper folding craft. They made beautiful flowers by following instructions given by the teachers. They took color paper of their choice and folded it carefully to make a tulip flower in just four simple steps. Teachers also guided them to make the stem of the flower by rolling another paper into thin strip, with the help of a pencil.
